

College: Medicine
Degree: M.Sc.

No	Name	Title	Year
1	Anne Salim Hormiz	Frequency of Bone Marrow Involvement in Lymphoma a Comparison between Aspirate and Biopsy Yeilds	2009
2	Omid Omer Darweesh	Evaluation of Testosterone Hormone and Zinc Levels among Infertile Males in Kirkuk Province	2009
3	Alan Issac Esho	A Clinico-Hematological Study of Pancytopenic Patients Attending Nanakali Hospital in Erbil City	2009
4	Amanj Zrar Hassan	Evaluation of Vitamin C & Malondialdehyde Levels in Type 2 Diabetes Mellitus	2009
5	Muhamed Aydin Abbass	The effect of Lidocaine with Fentanyl, or Midazolam on cardiovascular responses during Endotracheal intubation in hypertensive patients on Beta-blocker	2009
6	Bizav N. Rasheed	Some Hematolglcal Causes of Neonatal Jaundice in Duhok and Erbil Provinces	2009
7	Bakir Siddiq Bakir	A study of P53 Expression in Transitional Cell Carcinoma of Urinary Bladder in Erbil Governorate	2009
8	Sazan Kazm Saber	Normal Reference Values of Hematological Parameters for Adult Kurds in Hawler City	2010
9	Hussein Mahmud Abdullah	Prevalence of Cryptosporidium Species and Some Intestinal Protozoa in children Suffering from Diarrhea in Erbil Governorate	2010
10	Ronia Shawkat Kawther	Evaluation of tumor necrosis factor alpha and inerleukin10 and some maternal hormones in patients with rheumatoid arthritis in Erbil	2010
11	Nabaz Faisal Shaker	Correlation between Auto Antibodies and Some Serum Cytokines and Hormones in Patients with Recurrent Spontaneous Abortion	2010
12	Kadhm Hassan Kamil	A laboratory study of anemia in children aged 6 months to 6 years in Erbil City	2010
13	Jian Mohammed kader	Seroprevalence of Toxoplasma gondii in some Meat Producing Animals in Erbil City	2010
14	Karim Jwan Saleh Khoshnaw	Sero-Prevalence and Sensitivity Patterns of Anti-Toxoplasma IgM and IgG Antibodies in Apparently Healthy Groups in Erbil City	2010
15	Shler Qasim Hussen	Microbiological Study of Burn Wound Infection, Antibiotics Susceptibility Pattern and Beta lactamase Prevalence in Erbil city	2010
16	Kharman Saeed Ibrahim	Assessment of Some Immunological Parameters in Patients with Hepatitis B Virus	2010
17	Moayad Abdullah Wahab	Distribution of Doctors workforce in Erbil governorate	2010
18	Abbas Ali Braim	Effects of Stabilizing Agents on the Amyloid Fibril Formation	2010
19	Mohammed Abdullah Ali	Tissue and Plasma concentrations of meropenem in patients with diabetic foot infections	2010
20	Samira Fattah Hamid	Molecular Genetic Studies of Escherichia coli Species Isolated From Different Clinical Sources	2010

21	Nashwan Karkhi Abdulkareem	Effect of Noise on Hearing Loss and Lipid Profile on Tile Factories Workers in Erbil City	2010
22	Veyan Mardan Abdullah	Study of Some Immunodiagnostic Parameters in Patients with Rheumatoid Arthritis	2010
23	Begard Omer Mustafa	Renal and vascular Studies on Aqueous extract of Urtica Dioica	2010
24	Ahmed Ibrahim Ahmed	Assessment of Widal Test in Diagnosis of Typhoid Fever and Comparison with Recently Introduced Typhidot-M® in Erbil City	2010
25	Hemn Omer Ahmed	Therapeutic Effects of Lisuride in Hyperprolactinemic Infertile Women	2010
26	Badr-Aldin Kareem Hamad	Cardiovascular Studies of White Squill (Urginea Maritima) Extract.	2010
27	Zhian Ghazi Hussein	Antibacterial activity of pomegranate peel extract on some bacteria and comparison with vitamin C and gemifloxacin on inhibiting adhesion of Escherichia coli to uroepithelial cells & biofilm formation	2010
28	Niaz Hasan Ismael	Role of 99 m Technitium Labeled Methylene Diphonate Bone Scan in the management of Newly Diagnosed Breast Cancer Patients	2010
29	Elham Khald Ibrahim	Examination of Some physiotherapy Methods for The Selection of the Best One in the Treatment of Each Type of Hip and Knee Joints Injuries	2010
30	Safia Sabr Ibrahim	Assessment of Tumor Necrosis Factor-Alpha and Its Relationship with Human Chorionic Gonadotropin, Testosterone and Uric Acid in Preeclampsia	2010
31	Dihoz Kareem Rasul	Seroprevalence of Human Brucellosis in Erbil City	2011
32	Zana Ahmed Mustafa	Bronchodilator and Diuretic studies on Hydroalcoholic Xtract of Thymus Vulgaris	2011
33	Tara Mahammed Ali	Immunohistochemical Expression of P53 and P21 Gliomas; A Clinocopathological Study	2011
34	Naska Abdulkadir Hussein	Antenatal Care: Effectiveness and Implications on pregnancy Outcome in Erbil City	2011
35	Banaz Sadik Smael	Mycological Study of Dermatophytoses in Patients at Rizgary Teaching Hospital in Erbil City	2011
36	Liza Jamal Yousif	Evaluation of Certain Immunological Parameters in Patients Afflicted with Auto Immune Thyroid Disorders in Erbil City	2011
37	Bejan Ahmad Dizaye	Amplification and cloning of avian influenza virus AIV - H1N1 segments	2011

38	Aza Ismael Abdi	Diagistic Accuracy of Scintigraphy, Sonography and Fine Needle Aspiration Cytology in the Detection of Malingancy in Solitary Thyroid Nodule	2011
39	Hazha Hoshyar Mohammed	Prevalence and Factors Associated with Violence among a Group of Married women in Erbil	2011
40	Sahira Wali Khalid	Maternal Knowledge, Attitudes and Practices Regarding Infant and Their Impact on the Child Growth in Erbil City	2011
41	Sara Ibrahim Othman	Antiplasmid (Curing) Effect of Alcoholic Extract of Rosmarinus officinalis on Resistant Isolate of Pseudomonas Aeruginosa	2011
42	Dldar Omer Sdeeq	Evaluation of Some Cytokines with one acute phase protein in Burn Patients	2011
43	Chimmen Taha Yassin	Child injuries in Erbil City: A Multi-Centre Study	2011
44	Abdulqadir Hameed Abdulqadir	Prevalence and Types of Anaemia among Adult Diabetic Patients in Erbil city	2011
45	Ansam Jasim Mohammed	Histological and Immunohistochemical Changes in Placenta of Diabetic Pregnants	2011
46	Sura Suaad Fatih Talabani	Smoking Effect on Iron Status, Erythropoietin Level and certain Hematological Parameters	2011
47	Tenya Tariq Abdulhameed	The roles of BCL2 and P53 Immunonoexperssion in Colorectal Carcinoma	2011
48	Rowaida Qardagh Oraha	Prevalence of Thrombocytopaenia and Low von Willebrand Factor Antigen Level in Females with Menorrhagia in Maternity Teaching Hospital in Erbil City	2011
49	Farhad Jabbar Mohammed	Evaluation of some biochemical & hematological parameters after blood letting cupping (blc) in Erbil – Iraq	2012
50	Niyan Innam Muhammed Yousif	Biological Interaction, and the Effect of Myrtus Communis on Acne	2012
51	Hozan Jarjees Ahmed	Effects of Omega-3 on Lipid Profile and Haematological Parameters in Hyperlipidemic Rats	2012
52	Fedan Tahssin Muhammed Helmy	The role of Nitric Oxide in Blood Pressure Changes Through out Normal Human Pregnancy and Preeclampsia	2012
53	Amin O. Nagmaldin	Effects of Sertraline on the Chronic Obstructive Airway Disease and Asthma	2012
54	Chro Y. Qadir	Effects of Benfotiamine and Methylobaamin on Paclitaxel Induced Peripheral Neuropathy	2012
55	Sharmeen Qadir Faqi	A study on the prevalence of Entamoeba histolytica and Giardia	2012

	Abdullah	lamblia among asymptomatic food handlers in Erbil city and comparison of different techniques for their detection	
56	Suhayla Hamad Shareef	Assessment of Immunological Parameters in HCV and HBV Seropositive Type 2 Diabetic Patients	2012
57	Dana Abdulkhaleq Khorsheed	Assessment of Epidemiological, Hormonal and Immunological Parameters among patients with Hydatidiform Mole	2012
58	Lanja Jalal Mahmood	Molecular Study on Staphylococcus aureus Causing Burn Wound Infections	2013
59	Shilan Sulaiman Ahmad	Microbiological Study of Multi- Drug Resistant Pathogens Isolated From Women with Genital Tract Infection in Erbil	2013
60	Nuha Najeeb Anton	Bacteriologic study of discharging ear and evaluation of certain antibacterial agents against biofilm forming bacteria	2013
61	Nazleen Shakir Malla Ahmed	Correlation between Serum Endothelin-1 and Oxidative Stress in Apparently Healthy Obese Men	2013
62	Zhian Ghazi A. Nanakaly	Molecular Study of Uropathogenic Escherichia coli (UPEC) Isolated from Urinary Tract Infection among Children in Erbil City	2013
63	Asmaa Abdulmajeed Ahmed	Renoprotective effects of aliskiren, irbesartan and ramipril in diabetic rats	2013
64	Zaid Nabeel Elia	Assessment of immunological parameters in patients afflicted with celiac disease	2013
65	Ashraf Najeeb Kakoo	Evaluation of Adiponectin and Some Immunological Parameters in Patients with Type 2 Diabetes Mellitus	2013
66	Amer Ali Khaleel	Assessment of Procalcitonin as a Proinflammatory Marker and its Relation with Immunological Markers in Burn Patients	2013
67	Avreen Salahaddin Nouraddin	An Immunological and Epidemiological Study of Trichomoniasis in Women in Erbil	2013
68	Bakhtiyar Ahmed Rasheed	Urinary Iodine Level of Primary School Children in Duhok Governorate	2013
69	Nali Abdulkader Maaruf	The Effect of Formaldehyde Exposure on The Rat Thyroid Gland: A Morphological, Biochemical and Immunohistochemical Study	2014
70	Aso Hameed Kareem	Mortality Trends in Erbil City from 2007 To 2011	2014

71	Shahin Hazm Mustafa	Assessment of Inhibin B, Anti – Mullerian Hormone and Pro – Inflammatory Cytokines Among infertile Males Erbil	2014
72	Talar Ameer Sheet	Therapeutic Effect of Pregabalin, Vitamin B-Groups and Their Combination on Patients with Diabetic Peripheral Poly Neuropathy	2014
73	Rasha G. Thanoon	Evaluation of Pharmacodynamics of Amoxicillin-Clavulanic Acid and Azithromycin in Patients Undergoing Tonsillectomy	2014
74	Shorsh Jameel Ridha	Evaluation the Role of Bone Marrow Examination in Diagnosis of Hematological Diseases in Hemato-Oncology Centers in Kurdistan region	2014
75	Lajan Qasim Rahman	Possible role of cytokines and anti-chlamydia pneumonia IgG linked to Metabolic syndrome markers in coronary atherosclerotic patients	2014
76	Sarween Sherzad Rasul	FLT3-ITD Mutation in Patients with Acute myeloid Leukemia Attending Nanakaly and Hiwa hospitals	2014
77	Sayran Ghazy Younis	Detection of Serum P53 in Haematological Malignancies in Erbil	2014
78	Ahmed Abdul-Qader Abdul-Salam AL-Naqshbandi	Leptin, Malondialdehyde and Other Inflammatory Markers in Infertile Males	2014
79	Sevan Hassan Bakir	Identification of B-Lactamase Production and Biofilm Formation in Bacteria Isolated From Tonsillitis/Pharyngitis Cases	2014
80	Pinar Khalid Khudhur	The Levels of Interleukin-1 Beta, Interleukin-1 Receptor Antagonist, Neopterin & Anticytomegalovirus IgG in Patients with Type 2 Diabetes Mellitus	2014
81	Lana Abdulbaki Hameed	Hypolipidemic Efficacy of Trigonella Foenum Seeds in Comparison with Rosuvastatin and Fenofibrate in Hyperlipidemic Rats	2014
82	Dilman Azad Hassan	Female Sexual Events Referred To Medico Legal Institute in Erbil	2014
83	Sanarya M. Ali	Immunoexpressions of Ki-67 and P53 Proteins in Trophoblastic Diseases	2015
84	Hawre Dlzar Abdulrahman	Postmortem Diagnosis of Myocardial Infarction in Sudden Death by Correlation of Serum Cardiac Biomarkers and Histopathological Study in Erbil	2015
85	Banaz Nuri Saleh	Medicolegal Study of Causes of Death in Burn Cases	2015
86	Ilham Majeed Rashid	Immunohistochemical Study of P53 & Ki-67 Proteins in Surface Epithelial Tumors of Ovary	2015

87	Nermin Jamal Abdulqadr	Hormonal and Biochemical Changes In Breast Cancer Patients Treated By Cyclophosphamide and Doxorubicin	2015
88	Faisal Faruq Sadiq Zamzamoki	Prevalence of Hbv, Hcv, Hiv, Asa And Their Risk Factors Among Infertile Males In Erbil	2015
89	Sally Saeed Azeez	Prevalence of Rota Virus Infection and Cryptosporidiosis among Sample of Children in Erbil Governorate	2015
90	Wan Ibrahim Sliwa	Prevalence and Factors Associated with Anxiety and Depression in a Sample of University Students in Erbil	2015
91	Sara Jamil Kakil Dizayee	plication of Plasmids in Transformation of Virulence Factors among Uropathogenic Escherichia Coli (Upec) Isolates from Adult Patients	2015
92	Asmaa Khalis Mohammed	Possible Role of Toxoplasma Gondii Infection, Cytokines and Inflammatory Markers in Patients with Major Depressive Disorder	2015
93	Eman Najdy Haydar Al-Bazzaz	Prevalence of Enterobius Vermicularis Infection among Children in Relation to Biochemical Parameters in Erbil City	2015
