

Meeting with Foras group and Rwanga representatives

A meeting was arranged with Rebin Arif (Field officer at Rwanga Foundation and Shano Ghafour Employer Outreach Coordinator for Foras Group at Rwanga Foundation) by Dr. Salah Tofik Jalal on 2nd of March 2016 at 11.30am at the College of Health Sciences.

In this meeting we have agreed on few activities need to be done in several weeks to come.

1. Preparing a list of final year students of the College of Health Sciences or all Colleges of the University, who would like to register with us at CDC center. This list will be prepared at the conference which will be held on 30th of March 2016.
2. According to the number of students registering with us at CDC, they will be putting in (groups of 20-25 students); a one day (4 hrs) training course will be organized by Foras group at Rwanga foundation for each group on 10th -12th of April 2016.
3. The training course will cover the following topics:

A. CV Writing and Interview skills.

B. How to register with Foras Portal at Rwanga, where the will be helped to find jobs in the future.

C. Work Ethics.
