

1st NISON

"From Classroom to Innovation: A Research Showcase for Aspiring Nurses"

1st National Student
Conference on Nursing

May 16th,
2024

Background:

-National Student Conference on Nursing is a platform where nursing students from Tishk International University and Hawler Medical University gather to discuss recent developments, share research findings, and network with peers and professionals in the field.

-These conferences often feature oral presentation, poster presentations, and opportunities for collaboration and learning. They serve as a valuable avenue for students to enhance their knowledge, skills, and connections within the nursing community.

Organizers:

Time: 9:00 AM

Date: Thursday, May 16th, 2024

Venue: Faculty of Nursing - Tishk International
University, Erbil - Kurdistan Region
Hall #302
