

There will be a workshop at Medical Research Center for the College of Health Sciences' students (Fourth Stage) on (4/12/2019) to (5/12/2019) that presented by: (Mr. Bashdar Mahmoud Hussen, Mrs. Ashti Mohammed Amin Said and Mrs. Ayshan Rafaat Yasin) and It will start at (9:30 am – 2:00 pm), The topics of this workshop are:

1. DNA Extraction (Theoretical & Practical).
2. PCR Amplification.
3. Gel Electrophoresis.
4. Tissue Culture.

So, the students that participate in this workshop will get a lot of information regarding to the Topics that we have mentioned in the schedule.

Workshop Schedule

1	4/12/2019	Human identification Gel electrophoresis (A,B) DNA extraction	8:30 am – 9:30 am	Dr. Yasin Kareem Amin Bashdar M. Hussen Ashti M. Amin Said Ayshan Rafaat Yasin
2	4/12/2019	DNA Extraction Practical lab (A,B)	9:30 am – 2:00 pm	Bashdar M. Hussen Ashti M. Amin Said Ayshan Rafaat Yasin
3	4/12/2019	DNA amplification (A,B)	9:30 am – 2:00 pm	Bashdar M. Hussen Ashti Mohammed Amin Said Ayshan Rafaat Yasin
5	5/12/2019	Tissue culture (A,B)	9:30 am – 2:00 pm	Bashdar M. Hussen Ashti Mohammed Amin Said Ayshan Rafaat Yasin
10	5/12/2019	Group discussion on Workshop (A,B)	9:30 am – 2:00 pm	Bashdar M. Hussen Ashti Mohammed Amin Said Ayshan Rafaat Yasin
