

# Hawler Medical University & London Aesthetic Dermatology Institute Conference (LADIC)

## Derma Aesthetic Conference

Erbil, Iraqi Kurdistan Region  
13-14 June 2019

### Announcement

Hawler Medical University and London Aesthetic Dermatology Institute Conference (LADIC) will conduct the Derma Aesthetic Conference on 13 and 14 June 2019 in Erbil. The conference will include lectures, workshops and live model training about different aspects of aesthetic and dermatology.

### Scope

International instructors/trainers will deliver significant evidence-based information to make your practice safer and to provide the best possible service for the client through excellent and knowledgeable professional guidance and the latest optimal products to support today's aesthetic demands. At the end of the conference we will make you stand out among your colleagues.
