

Memorandum of Understanding

for academic cooperation

between

Hawler Medical University

Erbil, Kurdistan Region, Iraq

and

Poznan University of Medical Sciences

Poznan, Poland

Hawler Medical University and Poznan University of Medical Sciences establish this memorandum of understanding (MOU) to foster mutual cooperation in higher education, scientific research and professional development training.

1. Both parties agree to encourage following activities to promote mutual cooperation:
 - exchange of materials in education and research, publications and academic information;
 - exchange of staff in conferences and training courses;
 - joint research and meetings for education and research;
 - provide short term (up to 6 months) study and training opportunities for PhD students;
 - promote scholarship programs;
 - holding workshops.
2. Both parties agree to carry out these activities in accordance with laws and regulations of the respective countries and according to internal regulations of each institution.
3. This MOU is not considered to be a contract creating legal or financial relationships between the parties. Rather it is designed to facilitate and develop a genuine and mutually beneficial exchange process and research relationship.

4. This MOU shall become effective for five years from the date of signature. The MOU may be amended by the written consent of the parties.
5. The MOU may be terminated by the either party with a minimum 90 days written notice. If feasible, activities in progress at the time of termination of this MOU shall be permitted to conclude as planned unless otherwise agrees.
6. This MOU should be reviewed at the end of the period to evaluate the progress and quality of the mutual cooperation. The MOU may be extended for additional period upon consent of the parties.
