A Presentation about

Uploading Large Files in Google Drive and Linking to Moodle

Dr. Dara Abdulla Al-Banna

Steps for Presentation-Teachers

Google drive-1

1. Visit **Google Search** then More and Click on **“Drive”**
2. Sign in with the university **e-Mail** and Password
3. **Right** Click on your drive the Click on **“Upload Files”** to upload the Large File (**Recorded Video or e-Books**) of your Lecture
4. Select the **Large File** that was saved on your computer/mobile.
5. Waiting for **uploading** the Large File of the Lecture
6. Now the Large File is **available** on your **drive**

Steps for Presentation-Teachers

Google drive-2

7. Now it needs the **URL-Link** to be sharable. **Right** click on the Large File then select **“Get Sharable Link”**
8. Click on Link Sharing to be **“ON”**
9. Now you needs to get the **URL-Link**. **Right** click on the Large File (**Recorded Video or e-Books**) then select **“Share”**.
10. Click on the **“Copy Link”** (<https://drive.google.comopen....>)
11. Now you have the **URL-link** of the Large File and needs to put it on your course inside the **Moodle**

Steps for Presentation-Teachers

Moodle-1

1. Visit **HMU** Website www.hmu.edu.krd
2. Click on **Moodle** www.moodle.hmu.edu.krd
3. **Log in** (Moodle Username and Password)
4. Open your **course**
5. Click on “**Setting**”, then select “**Turn editing on**”
6. Click on “**Add Topics**”
7. **Rename** the Topic to the **Lecture’s name**, then **Enter**
8. Click on “**Add an Activity or resources**” inside the new topic

Steps for Presentation-Teachers

Moodle-2

9. Select **URL**, then Click on **“Add”**
10. Write the **name** of the Lecture, then **paste** the **URL-Link** in External URL (that **copied** from your drive)
11. Click on **“Save and display”**
12. Your URL-Link of the Large File (**Recorded Video or e-Books**) should be available for **students**.
13. Your students can **download** the Large File (**Recorded Video or e-Books**) of the lecture by clicking of the **URL-Link**

Google Drive

Google Drive

Visit Google Search then More and Click on "Drive"

The image shows a screenshot of the Google homepage in a web browser. The browser's address bar displays "google.com". The main content area features the Google logo with a small cartoon character holding a sign that says "Drive". Below the logo is a search bar containing the text "Google Drive". Underneath the search bar are two buttons: "Google Search" and "I'm Feeling Lucky". At the bottom of the page, there is a link for "Google offered in: العربية الكوردی".

Annotations include:

- A green arrow pointing to the "Language-Learning..." link in the top-left corner of the browser's address bar.
- A green arrow pointing to the "Sign in" button in the top-right corner of the browser's address bar.
- A green arrow pointing to the "More" (grid) icon in the top-right corner of the browser's address bar.
- A green arrow pointing to the "Drive" icon in the "More" menu that is open on the right side of the page.

The "More" menu is open, showing a grid of icons for various Google services: Account, Search, Maps, YouTube, Play, Gmail, Contacts, Drive, Calendar, Translate, Photos, and Duo. The "Drive" icon is highlighted with a green arrow.

The browser's taskbar at the bottom shows the system tray with the date and time: "01:53 09/04/2020".

Right Click on your drive the Click on “Upload Files” to upload the Large File (Recorded Video or e-Books) of your Lecture

Select the Large File (Recorded Video or e-Books) that was saved on your computer/ mobile

Waiting for uploading the Large File (Recorded Video or e-Books) of the Lecture

The screenshot displays the Google Drive web interface. The top navigation bar includes the Drive logo, a search bar, and various settings icons. The main content area is divided into sections: 'My Drive', 'Quick Access', 'Folders', and 'Files'. The 'Quick Access' section shows several files, including video recordings and audio files. The 'Files' section shows a 'Cover Page V2 N2 psd' file, a 'Getting started' document, and an 'HMU Electronic Management...' video recording. A green arrow points to a progress bar in the bottom right corner, indicating the upload status of a file named 'Stroke Rehabilitation_Zoom Meeting Rec...'. The progress bar shows 'Uploading 1 item' and 'Less than a minute left'.

Uploading 1 item

Less than a minute left

Stroke Rehabilitation_Zoom Meeting Rec...

Now the Large File (Recorded Video or e-Books) is available on your drive

The screenshot displays the Google Drive web interface. The top navigation bar includes the Drive logo, a search bar, and various utility icons. The main content area is titled "My Drive" and features a "Quick Access" section with several file thumbnails. A green arrow points from the "HMU Electronic Management..." video file in the Quick Access section to a larger video file thumbnail in the "Files" section below. The "Files" section contains various documents and images, including a "Cover Page V2 N2 psd" file, a "Getting started" document, and an "HMU Logo.jpg" image. A notification banner at the bottom right indicates "1 upload complete" for the file "Stroke Rehabilitation_Zoom Meeting Rec...".

- Stroke Rehabilitation_Zoom Meeting Rec...

Now it needs the URL-Link to be sharable

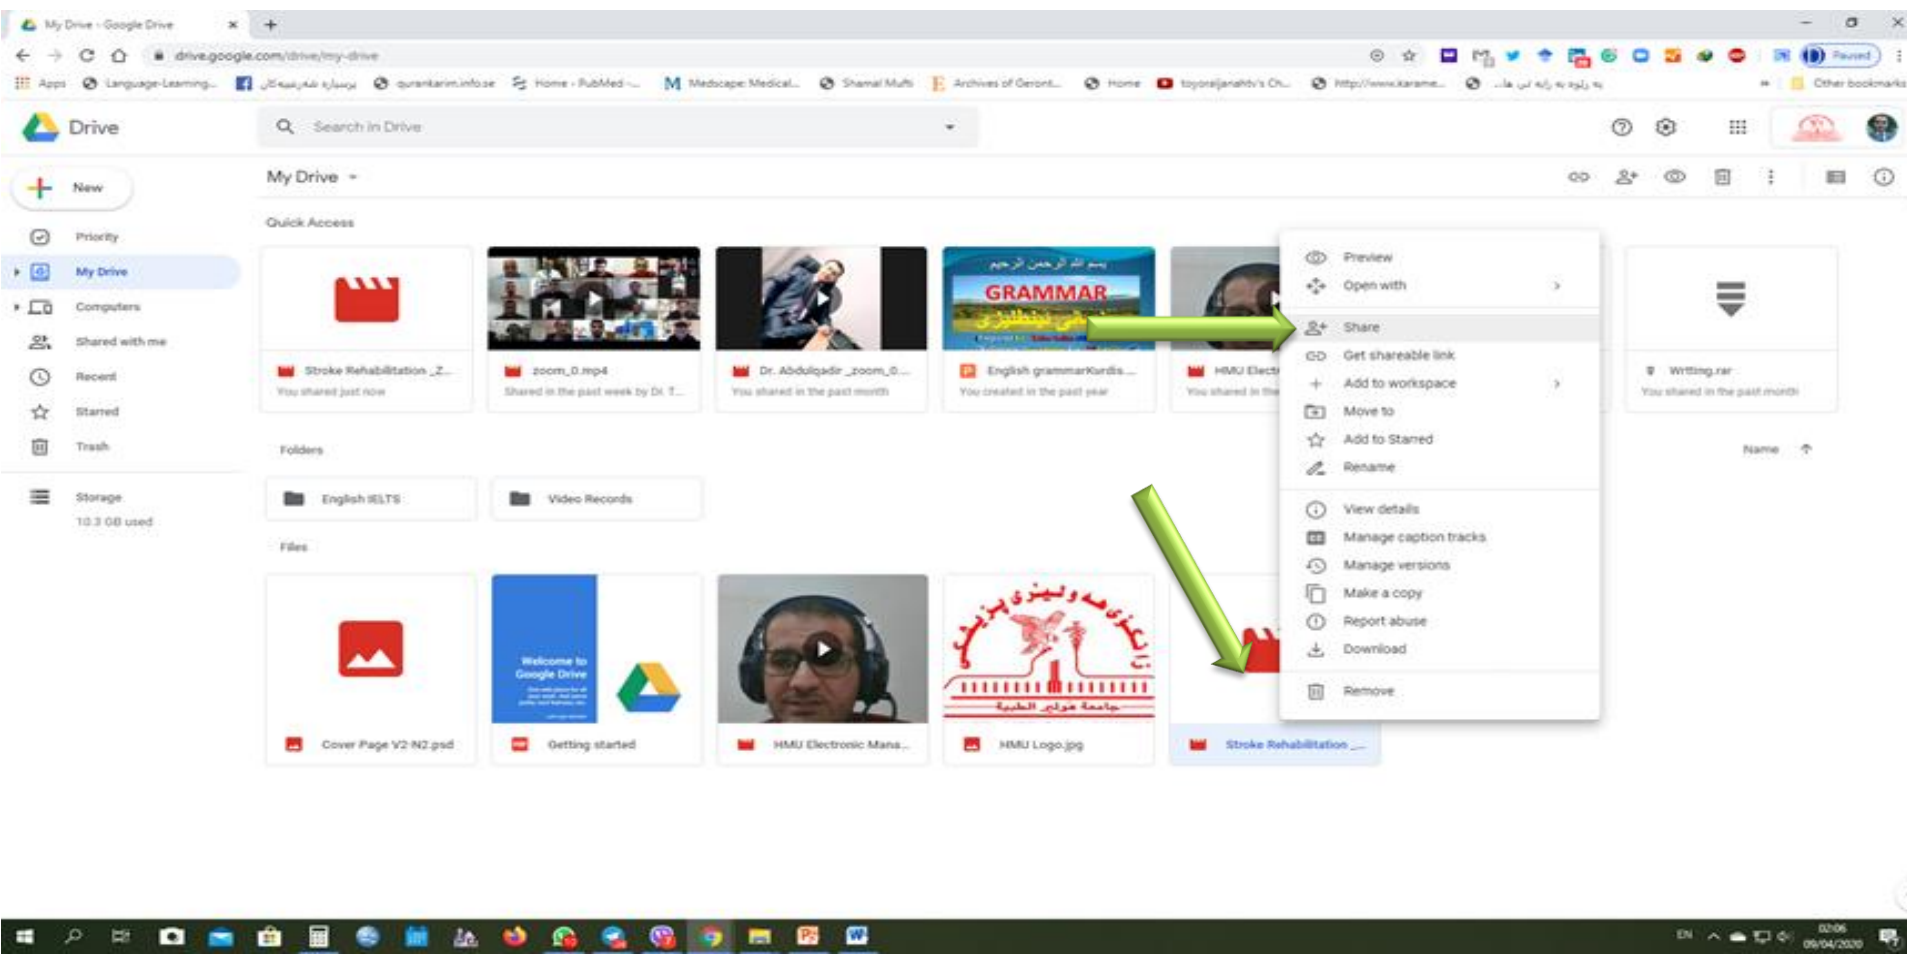

Right click on the Large File then select “Get Sharable Link””

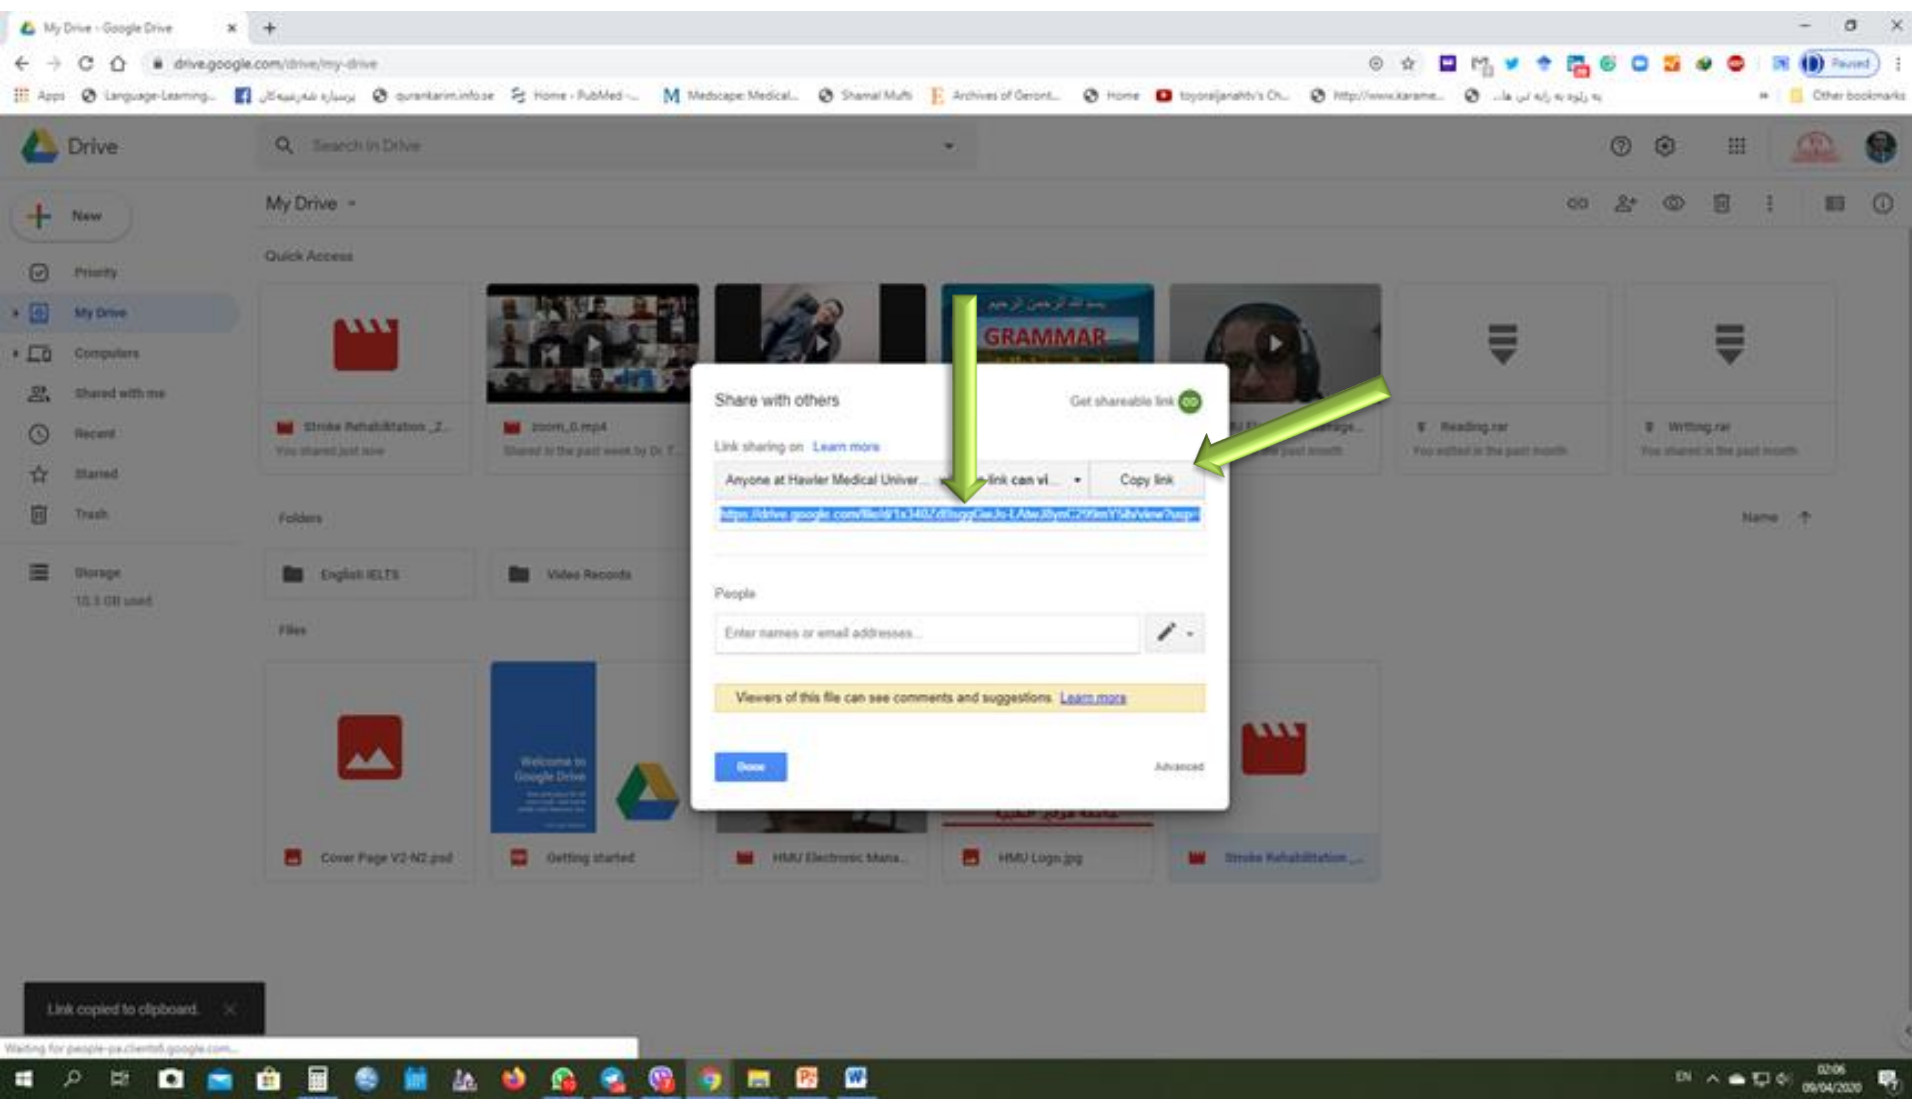

Click on Link Sharing to be "ON"

The image shows a screenshot of a Google Drive web interface. The browser address bar shows the URL `drive.google.com/drive/my-drive`. The interface includes a search bar, a sidebar with navigation options like 'New', 'Priority', 'My Drive', 'Computers', 'Shared with me', 'Recent', 'Starred', 'Trash', and 'Storage' (10.3 GB used), and a main content area with 'Quick Access' and 'Folders' sections. The 'Files' section contains several items, including a video file named 'Stroke Rehabilitation_Zoo...'. A context menu is open over this video file, showing the 'Link sharing on' toggle switch turned 'ON' (green). A green arrow points from the video file to the sharing settings menu, and another green arrow points from the 'Link sharing on' toggle to the 'ON' position. A notification at the bottom left states 'Link copied to the clipboard.' The system tray at the bottom right shows the date and time as '02:04 09/04/2020'.

Now you need to get the URL-Link. Right click on the **Large File** (Recorded Video or e-Books) then select **“Share”**

Click on the “Copy Link” ([https://drive.google.com/open....](https://drive.google.com/open...))

The screenshot shows the Google Drive interface with a 'Share with others' dialog box open. The dialog box is titled 'Share with others' and has a 'Get shareable link' button. Below the title, there is a 'Link sharing on' section with a 'Learn more' link. The sharing settings are set to 'Anyone at Hewlett Medical Univer...' and 'Link can vi...'. A 'Copy link' button is visible next to the settings. The link text is highlighted in blue and underlined, and a green arrow points to it. Another green arrow points to the 'Copy link' button. Below the link, there is a 'People' section with an input field for 'Enter names or email addresses...'. At the bottom of the dialog box, there is a 'Done' button and an 'Advanced' link. A notification at the bottom left of the screen says 'Link copied to clipboard.' The background shows the Google Drive interface with various files and folders.

Now you have the URL-link of the **Large File** (Recorded Video or e-Books) and needs to put it on your course inside the Moodle

Visit HMU Website

www.hmu.edu.krd

The screenshot shows the homepage of Hawler Medical University. The browser address bar displays <http://www.hmu.edu.krd/en/>. A green arrow points to the address bar. The website features a blue header with navigation links: Moodle, CPD, Email, and Login. Below the header is a white navigation bar with the university logo and links for Home, Colleges, Divisions, About, Staff Directory, Alumni, and Announcements, News & Events. The main content area is divided into two columns. The left column, titled 'Announcements', lists four items: 'Application Deadline and Admission Exam' (JAN 30), 'Annual Fees for Postgraduates Studies' (JAN 19), 'Postgraduate studies announcement 2020' (DEC 24), and 'Workshop on Integrated Medical Curriculum' (DEC 15). The right column features a large image of a presentation titled 'Infection control and prevention presentation' by Dr. Petr Smejkal, chief epidemiologist and infectious disease specialist at the Institute of Clinical and Experimental Medicine (IKEM) in Prague. Below the image is a 'More detail' link. At the bottom, there are sections for 'Teaching Methods' and 'Medical Research Center'.

Open your course

The screenshot shows a web browser displaying a Moodle course page. The browser's address bar shows the URL `moodle.hmu.edu.krd/course/view.php?id=366`. The page title is "UG_Research Project" and the breadcrumb trail is "Dashboard / My courses / UG_Research Proj.". A green arrow points to the "UG_Research Project" link in the breadcrumb. The course page features a header banner with the text "UG_Research Project" and a background image of a building. Below the banner, there are three main sections: "Announcements" (with a question mark icon), "grade results of research project" (with a list icon and a "Hidden from students" status), and "aaa" (with a list icon). At the bottom, there is a section titled "Undergraduate Research Project 2018-2019" containing an "Activities" list with one item: "Graduation Research Project Guideline Updated 27-12-2018". The left sidebar contains a navigation menu with items like "UG_Research Proj", "Participants", "Badges", "Competencies", "Grades", "Download center", "UG_Research Project", "Undergraduate Resear...", "How to Write Reference", "Dashboard", "Site home", "Calendar", "My courses", "Nursing Virtual Classo...", and "Research Lab". The Windows taskbar is visible at the bottom of the screen.

Click on “Setting”, then select “Turn editing on”

The screenshot shows a web browser window displaying a Moodle course page. The browser's address bar shows the URL `moodle.hmu.edu.kd/course/view.php?id=305`. The page title is "UG_Research Project" and the breadcrumb trail is "Dashboard / My courses / UG_Research Proj".

A settings menu is open in the top right corner, with a green arrow pointing to the "Turn editing on" option. The menu items are:

- Edit settings
- Turn editing on
- Course completion
- Filters
- Gradebook setup
- Backup
- Restore
- Import
- Reset
- More...

The course page content includes a banner for "UG_Research Project" and several activity tiles:

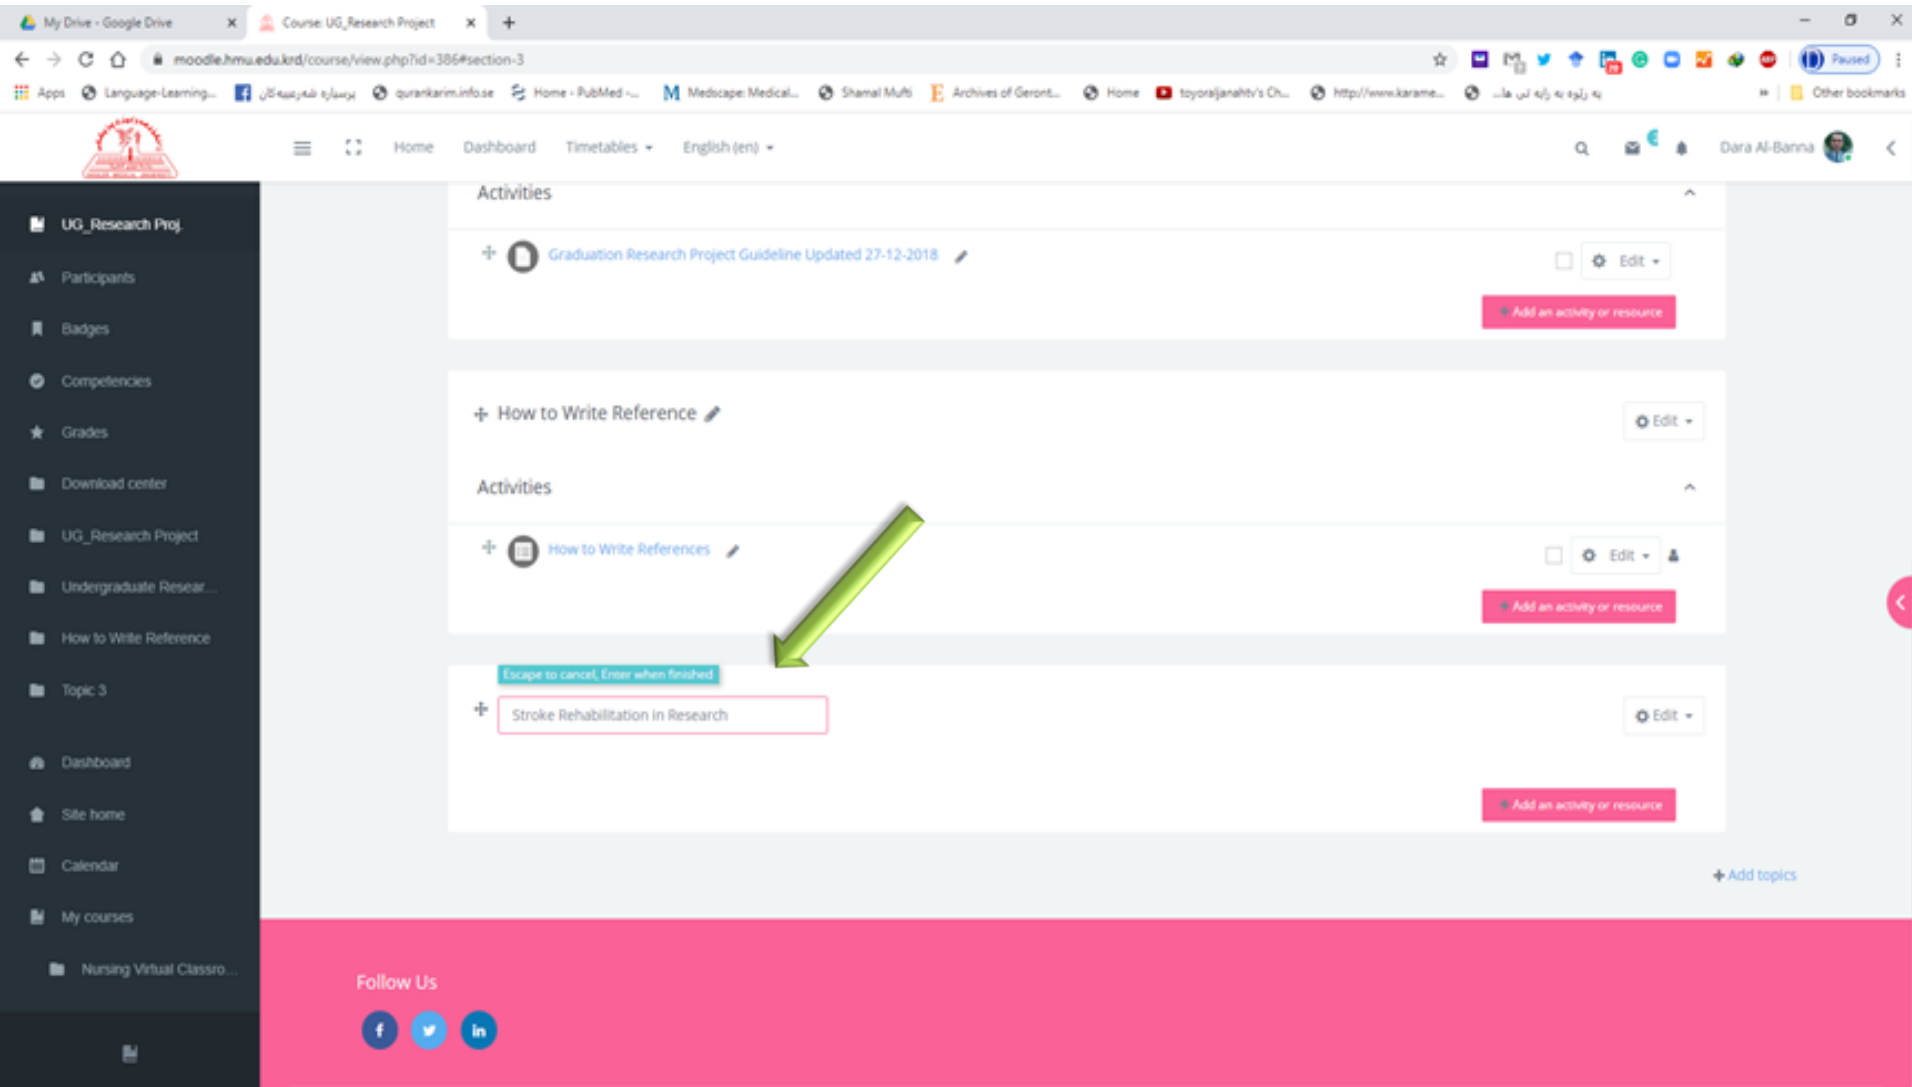

- Announcements
- grade results of research project
- 444
- Hidden from students

At the bottom, there is a section for "Undergraduate Research Project 2018-2019" with an "Activities" list containing a link for "Graduation Research Project Guideline Updated 27-12-2018".

Click on “Add Topics”

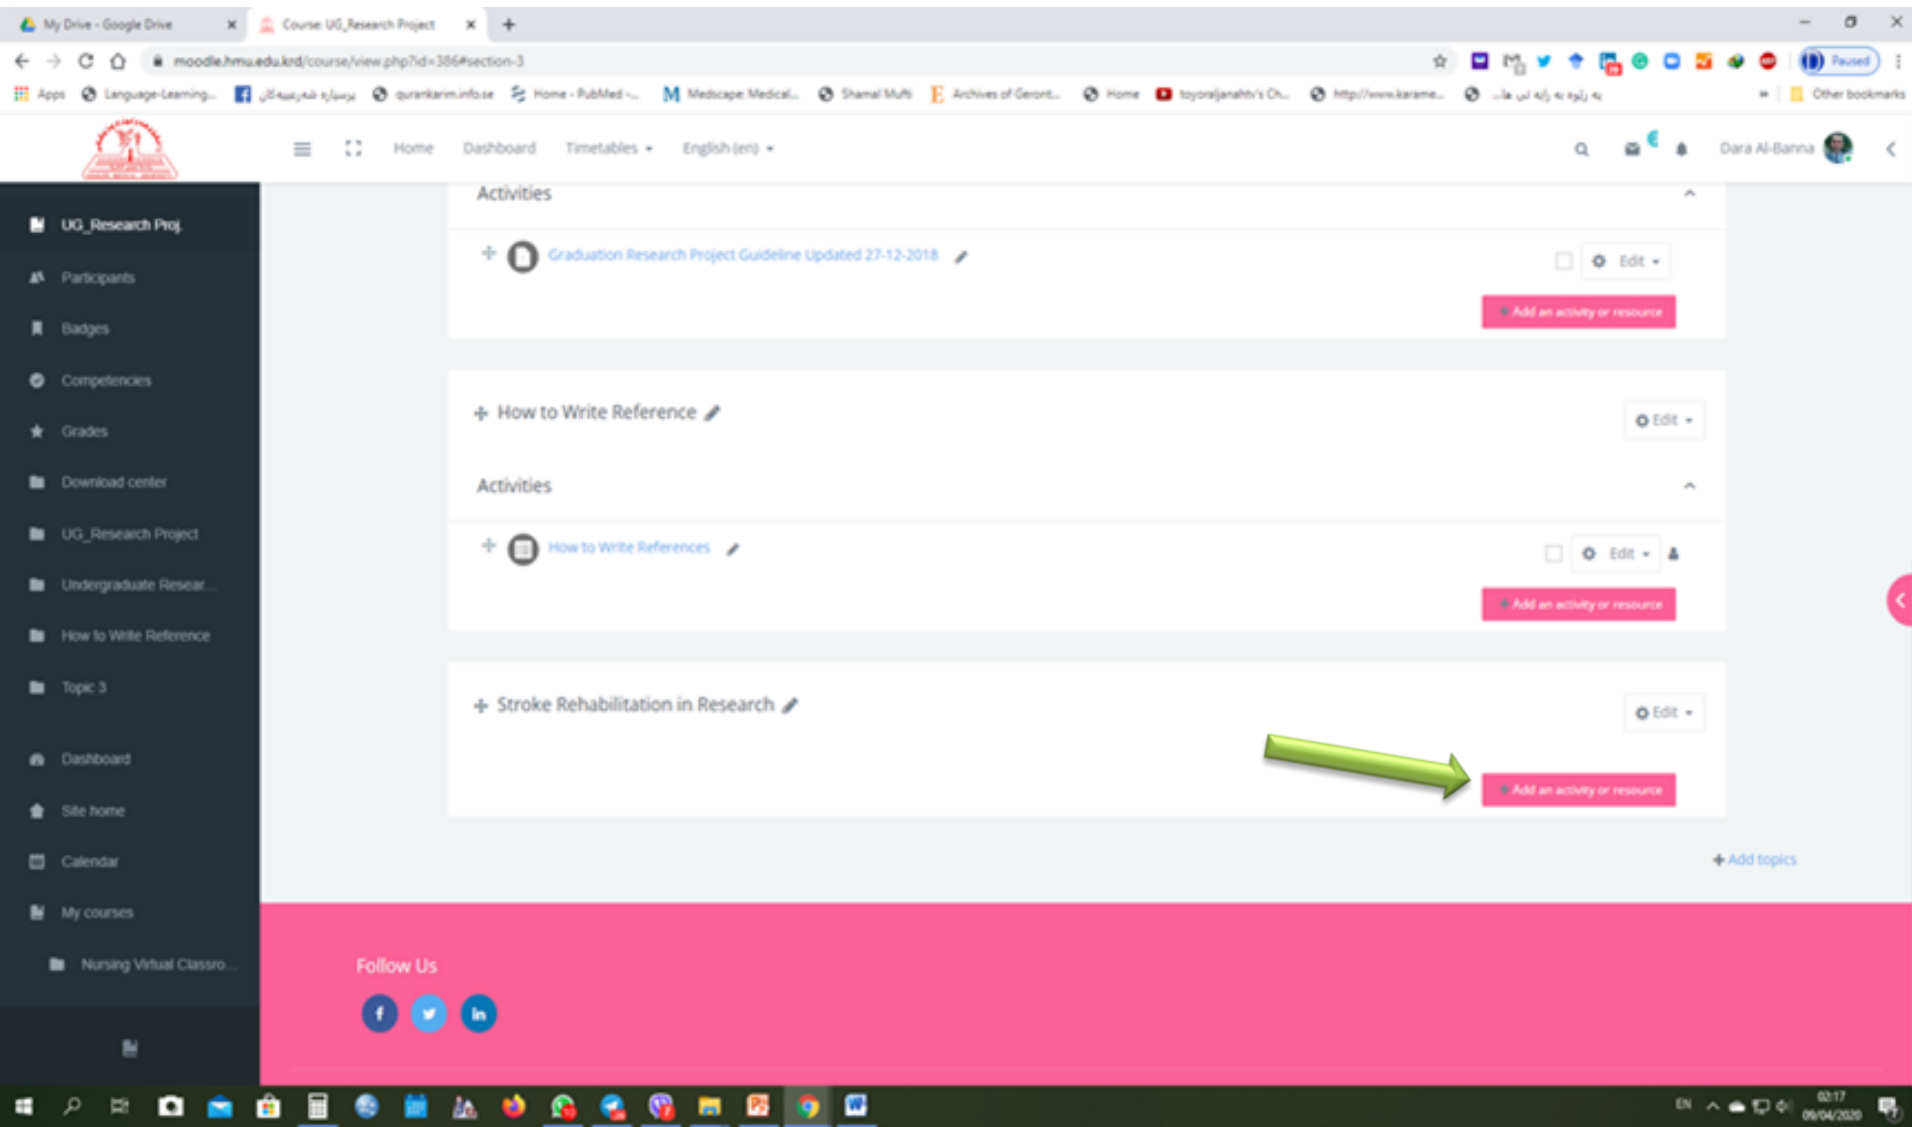

The screenshot shows a Moodle course interface for 'UG_Research Proj'. The page is divided into two topic sections. The first section is titled '+ Undergraduate Research Project 2018-2019' and contains one activity: 'Graduation Research Project Guideline Updated 27-12-2018'. The second section is titled '+ How to Write Reference' and contains one activity: 'How to Write References'. A green arrow points to the '+ Add topics' button located at the bottom right of the second topic section. The interface includes a top navigation bar with 'Home', 'Dashboard', and 'Timetables', a left sidebar with course navigation options, and a bottom footer with social media links and a 'Follow Us' section.

Rename the Topic to the Lecture's name, then Enter

The screenshot shows a Moodle course page for 'UG_Research Project'. The page displays a list of activities and topics. A green arrow points to the 'Stroke Rehabilitation in Research' topic, which is currently being edited. The text 'Escape to cancel, Enter when finished' is visible above the topic name, indicating that the user is in the process of renaming it. The topic name is highlighted with a red border, and the 'Edit' button is visible to its right. The page also shows other topics like 'How to Write Reference' and 'How to Write References'. The bottom of the page features a 'Follow Us' section with social media icons for Facebook, Twitter, and LinkedIn.

Click on “Add an Activity or resources” inside the new topic

The screenshot displays a Moodle course interface. The browser address bar shows the URL `moodle.hmu.edu.krd/course/view.php?id=386#section-3`. The course title is "UG_Research Project". The left sidebar contains a navigation menu with items such as "UG_Research Proj", "Participants", "Badges", "Competencies", "Grades", "Download center", "UG_Research Project", "Undergraduate Resear...", "How to Write Reference", "Topic 3", "Dashboard", "Site home", "Calendar", "My courses", and "Nursing Virtual Classro...". The main content area is titled "Activities" and lists three items: "Graduation Research Project Guideline Updated 27-12-2018", "How to Write Reference", and "Stroke Rehabilitation in Research". Each item has an "Add an activity or resource" button. A green arrow points to the "Add an activity or resource" button for the "Stroke Rehabilitation in Research" topic. The bottom of the page features a pink footer with "Follow Us" and social media icons for Facebook, Twitter, and LinkedIn. The system tray at the bottom right shows the date and time as "02:17 09/04/2020".

Select URL, then Click on “Add”

The screenshot displays the Moodle LMS interface. A modal dialog box titled "Add an activity or resource" is open in the center. The dialog lists various activity and resource types. Under the "RESOURCES" section, the "URL" option is selected, indicated by a green arrow pointing to it. Another green arrow points to the "Add" button at the bottom of the dialog. The background shows the course page with a sidebar on the left and a main content area with several activity blocks, each with an "Add an activity or resource" button. The browser's address bar shows the URL "moodle.hmu.edu.kd/course/view.php?id=306#section-3".

Add an activity or resource

- Quiz
- SCORM package
- Students folder
- StudentQuiz
- Survey
- Wiki
- Workshop

RESOURCES

- Book
- File
- Folder
- Group Members
- IMS content package
- Label
- Page
- URL

The URL module enables a teacher to provide a web link as a course resource. Anything that is freely available online, such as documents or images, can be linked to; the URL doesn't have to be the home page of a website. The URL of a particular web page may be copied and pasted or a teacher can use the file picker and choose a link from a repository such as Flickr, YouTube or Wikimedia (depending upon which repositories are enabled for the site).

There are a number of display options for the URL, such as embedded or opening in a new window and advanced options for passing information, such as a student's name, to the URL, if required.

Note that URLs can also be added to any other resource or activity type through the text editor.

[More help](#)

Add **Cancel**

Write the name of the Lecture, then paste the URL-Link in External URL (that copied from your drive)

The screenshot shows a Moodle course page titled "UG_Research Project" with the sub-page "Adding a new URL to Stroke Rehabilitation in Research". The form has three main sections: "General", "Appearance", and "URL variables".

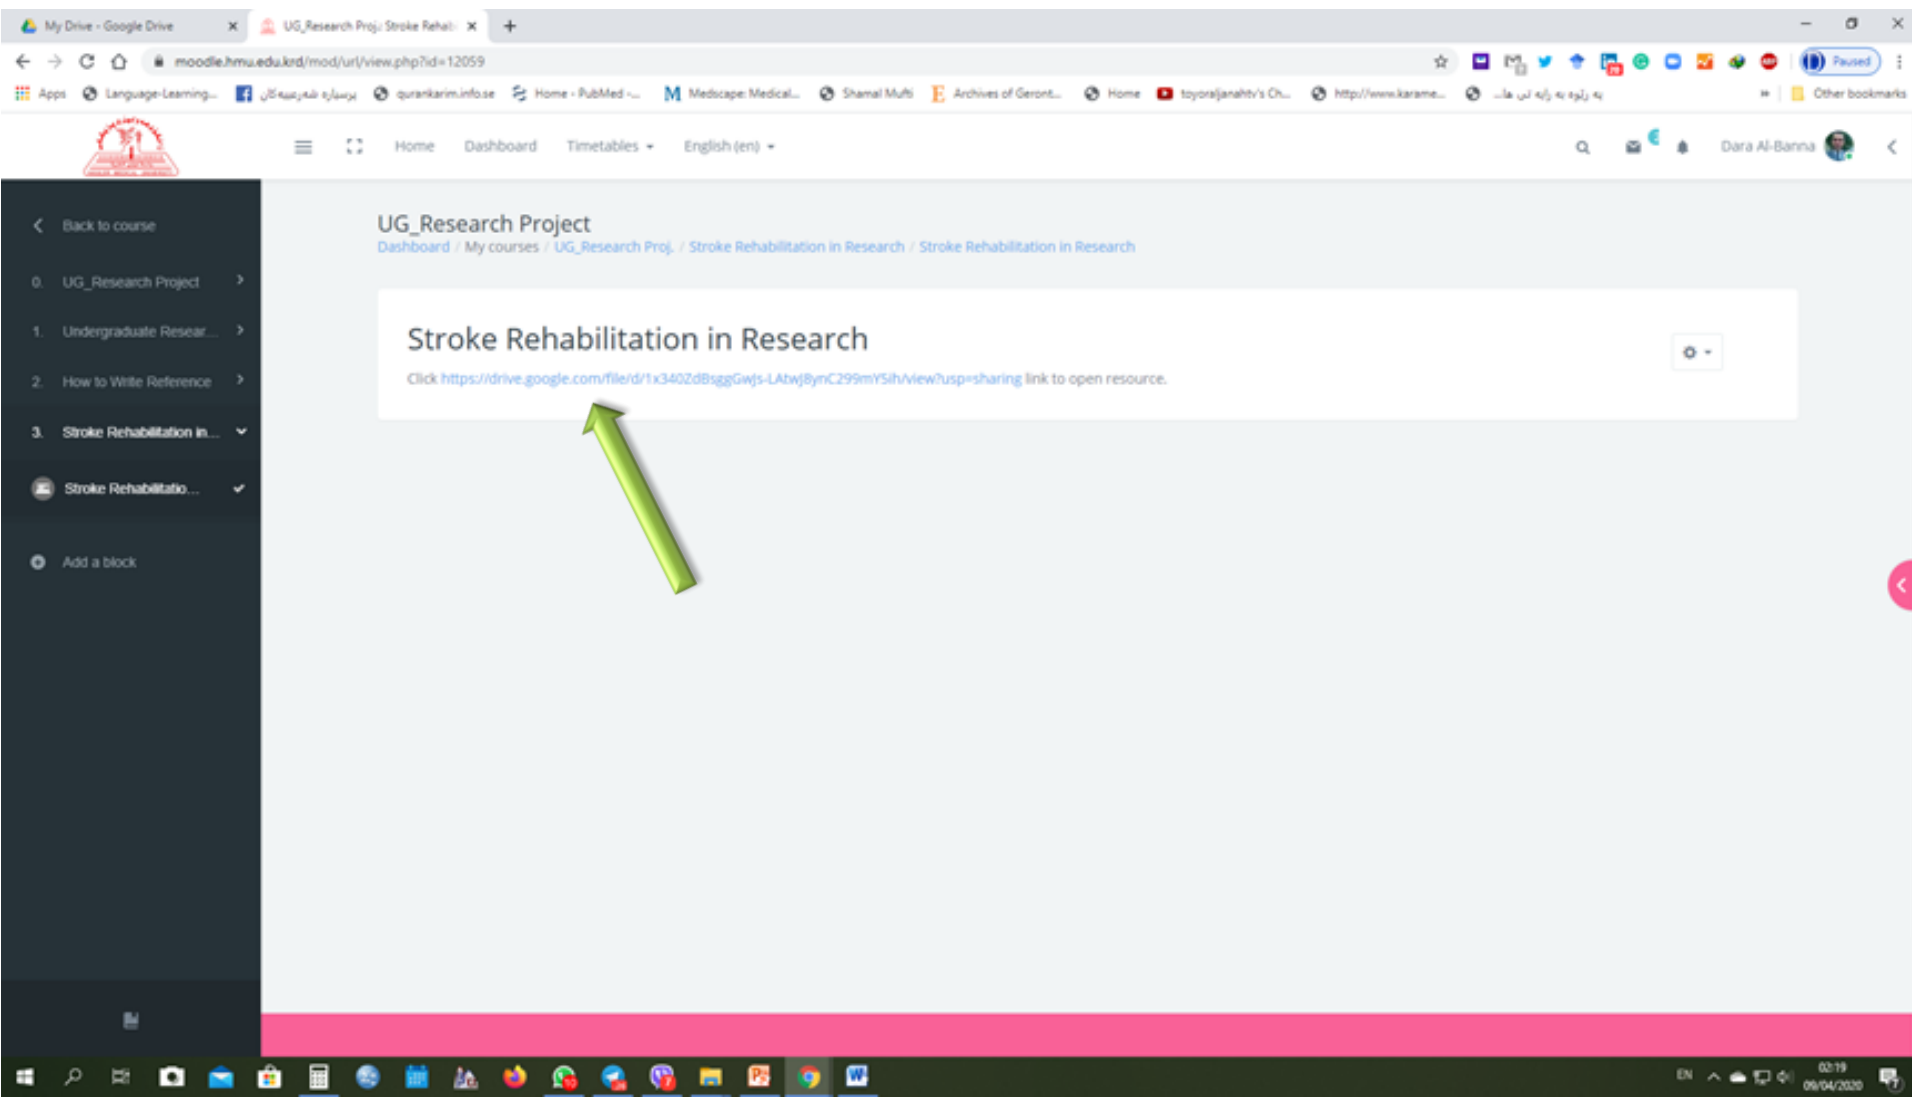

- General:**
 - Name:** Stroke Rehabilitation in Research
 - External URL:** <https://drive.google.com/file/d/1x340ZdBggGwfs-LAtw@BmC299mi>
 - Description:** (Empty text area with a rich text editor toolbar)
- Appearance:** (Collapsible section)
- URL variables:** (Collapsible section)
- Common module settings:** (Collapsible section)

A context menu is open over the External URL field, showing options like Cut, Copy, Paste, Paste as plain text, Select all, Go to https://drive.google.com/file/d/1x340ZdBggGwfs-LAtw@BmC299mi, Print..., Spell check, Writing Direction, IDM Integration Module, and Inspect.

Click on “Save and display”

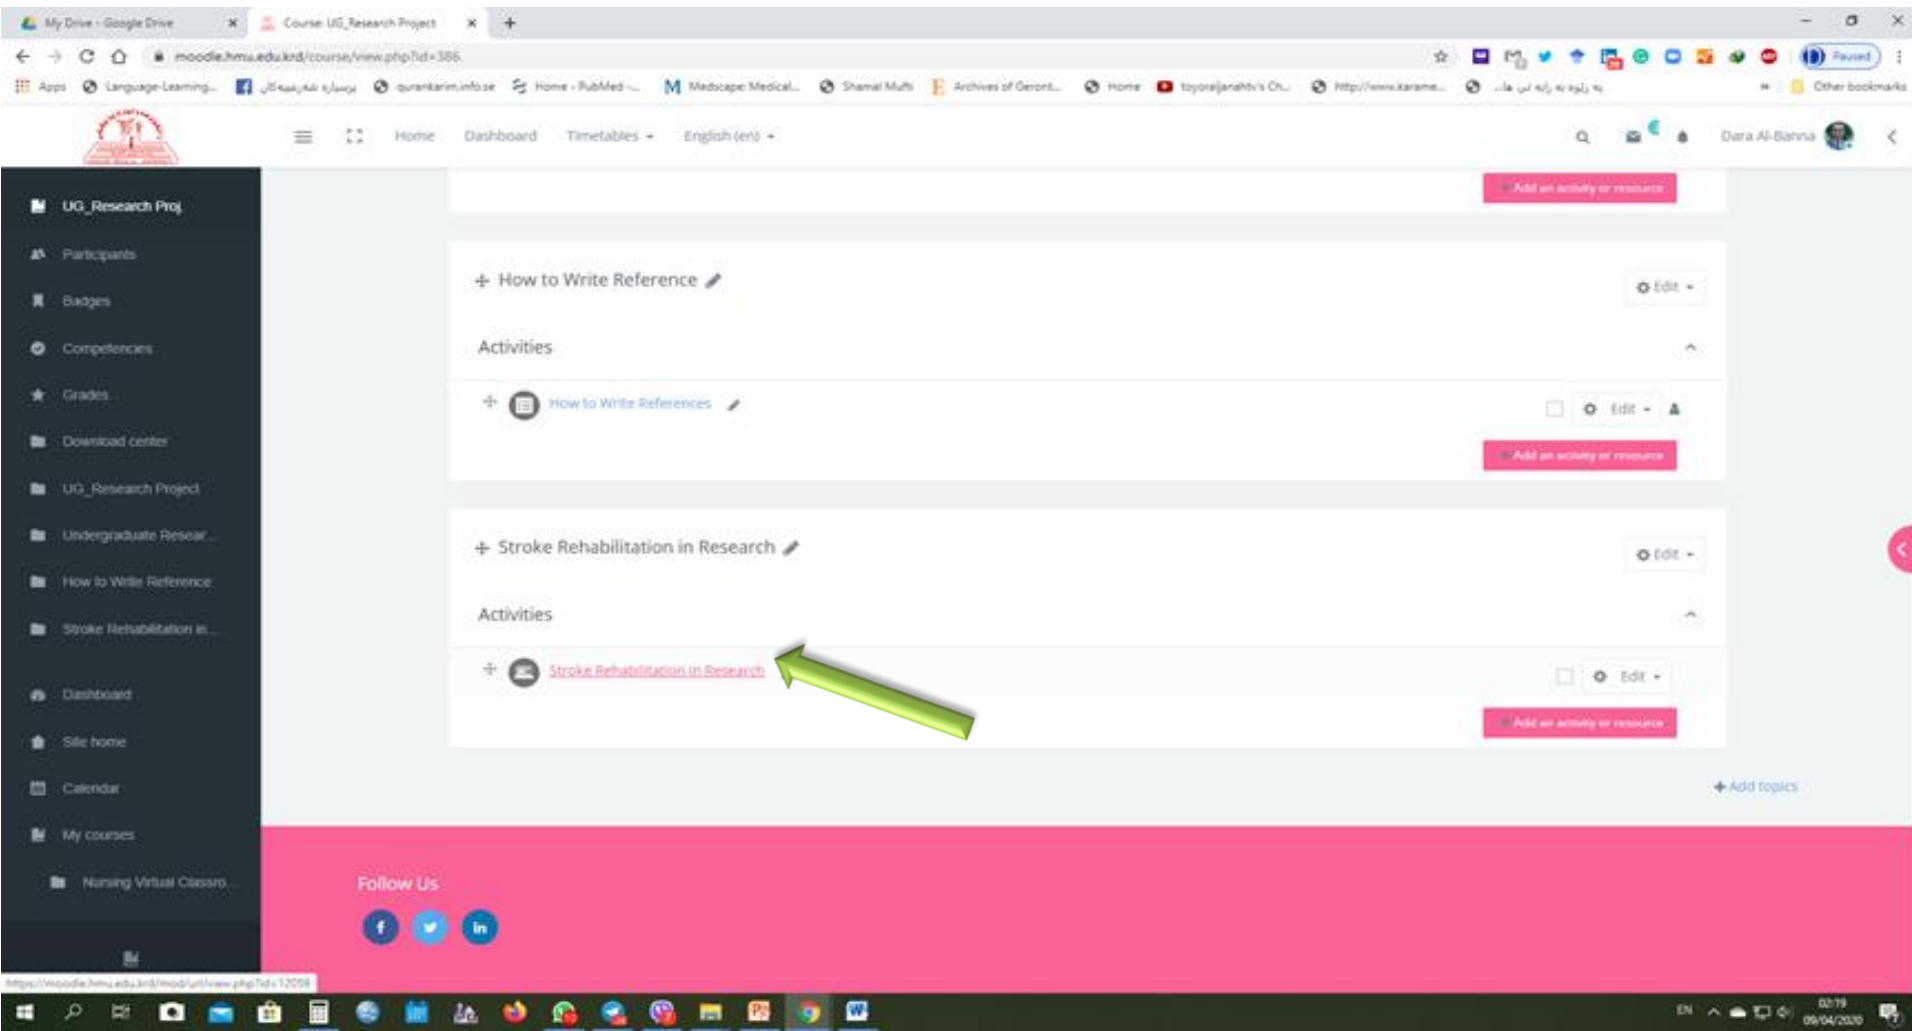

The image shows a screenshot of a Moodle course editing page. The browser address bar displays the URL: `moodle.hmu.edu.krd/course/modedit.php?add=ur&type=&course=386§ion=38&return=0&csr=0`. The page header includes navigation links for Home, Dashboard, Timetables, and English (en). A left sidebar contains a menu with items like UG_Research Proj, Participants, Badges, Competencies, Grades, Download center, UG_Research Project, Undergraduate Resear..., How to Write Reference, Stroke Rehabilitation in..., Dashboard, Site home, Calendar, My courses, and Nursing Virtual Classo... The main content area features a list of expandable sections: Appearance, URL variables, Common module settings, Restrict access, Activity completion, Tags, and Competencies. At the bottom of this area are three buttons: 'Save and return to course', 'Save and display', and 'Cancel'. A green arrow points directly to the 'Save and display' button. Below the buttons, a message states: 'There are required fields in this form marked'. The footer contains a 'Follow Us' section with social media icons for Facebook, Twitter, and LinkedIn. The Windows taskbar at the bottom shows the system clock as 02:19 on 09/04/2020.

Your URL-Link of the Large File (Recorded Video or e-Books) should be available for students

The screenshot shows a web browser window displaying a Moodle course page. The browser's address bar shows the URL: `moodle.hmu.edu.krd/mod/ur/view.php?id=12059`. The page title is "UG_Research Project". Below the title, there is a breadcrumb trail: "Dashboard / My courses / UG_Research Proj. / Stroke Rehabilitation in Research / Stroke Rehabilitation in Research". The main content area features a resource titled "Stroke Rehabilitation in Research" with a small icon to its right. Below the title, there is a text prompt: "Click <https://drive.google.com/filed/1x3402d8sggGwjs-LAbwjBjnC299miY5ih/view?usp=sharing> link to open resource." A green arrow points to this text prompt. The left sidebar contains a list of course items, including "UG_Research Project", "Undergraduate Resear...", "How to Write Reference", "Stroke Rehabilitation in...", and "Stroke Rehabilitatio...". The bottom of the image shows a Windows taskbar with various application icons and a system tray showing the time as 02:19 on 09/04/2020.

Your URL-Link of the Large File (Recorded Video or e-Books) should be available for students

The screenshot displays a Moodle course interface for 'UG_Research Proj'. The left sidebar contains navigation options such as 'Participants', 'Badges', 'Competencies', 'Grades', 'Download center', and 'My courses'. The main content area shows two sections:

- How to Write Reference**: Contains one activity, 'How to Write References'.
- Stroke Rehabilitation in Research**: Contains one activity, 'Stroke Rehabilitation in Research', which is highlighted by a green arrow.

Each section includes an 'Add an activity or resource' button and an 'Edit' option. The bottom of the page features a 'Follow Us' section with social media icons for Facebook, Twitter, and LinkedIn. The system tray at the bottom shows the date as 09/04/2020 and the time as 00:19.

Your students can download the Large File (Recorded Video or e-Books) of the lecture by clicking of the URL-Link

The screenshot shows a web browser window displaying a Google Drive file named "Stroke Rehabilitation_Zoom Meeting Record.mp4". The address bar shows the URL: drive.google.com/file/d/1x340Zd8sggGwIs-LAtwIBynC299mY5ih/view. The file is currently in a processing state, indicated by a message: "We're processing this video. Check back later or download the video now." Below this message is a blue "Download" button with a download icon, and a "Connect more apps..." button. A green arrow points to the "Download" button. Another green arrow points to the download icon in the top right corner of the file viewer area. Below the processing message, there is a section titled "Try one of the apps below to open or edit this item" with "Suggested third-party apps" listed: CloudConvert, Video Player for Google Drive, and YouTube Uploader for Dropbox, Drive. The Windows taskbar is visible at the bottom of the screen.
